FIRST IN RESULTS TO ADVERTISERS

NUMBER 8

Roll to Be Taken on Transportation of ATHS Students

**Patrons Are Asked Whether
They Favor Referendum
to Spend \$20,000**

Patrons of Antioch Township High school are being polled for their opinions as to whether the township shall inaugurate a transportation system for the students.

Principal T. R. Birkhead said that letters have been mailed to all parents and guardians of students asking their views on an initial expenditure of \$20,400 in the purchase of three buses, providing a garage and operating expenses. This act would call for a referendum.

The letter signed by Walter K. Hills, president of the Board of Education and Helen Osmond, secretary, contained a reply card, and Principal Birkhead said that in order that everyone in the high school district may have opportunity to express his view on this question, a supply of the postal cards referred to in the letter is being left at the Antioch News and may be obtained there.

The letter is as follows:

Dear Patrons:
The Board of Education of the Antioch Township High school has for sometime been considering the advisability of purchasing and operating school busses. During the past few years, the difficulties imposed by gasoline and tire rationing, unavailable equipment, and lack of drivers have made it inadvisable to start such an undertaking. Now that the difficulties mentioned above have begun to clear up, the Board of Education is anxious to get an expression of the opinions of the school patrons as to their wishes in regard to school furnished transportation.

Gives Estimate of Costs
The purpose of this letter is not to state the pros and cons of the transportation question, but only to give a broad estimate of the involved financial aspects.

It is estimated that transportation for 170 pupils would need to be provided which would require three 30 passenger busses, each making two pickup runs and two delivery runs per day. The approximate cost of a 31 passenger bus that will meet school standards is \$3,300, thus making a total of approximately \$10,000 that would be needed to purchase the three busses.

To provide a suitable garage that could be heated and properly equip it with the necessary service materials would require approximately \$7,000.

Travel 70 Miles a Day
If the three busses are each operated (Continued on page 5)

Funeral Services Held Tuesday for Mrs. Geo. Joedicke

Funeral services for Alice J. Joedicke were held at the Strang funeral home, Antioch, Tuesday, Sept. 24, and the many friends attending the services attest to the serious loss suffered by the community by her passing, September 20.

She passed away after a week's illness at St. Therese hospital, Waukegan.

The Joedicke had made their home in Avon township for the past ten years, having lived on Rollins road at Long Lake, since coming here from Evanston, when Mr. Joedicke was made district manager for this area by the Public Service company. She was born in E. St. Louis, Illinois. Survivors besides her husband, include a brother, Eugene Harney, of Maplewood, Mo.

Fire Department Plans Fire Prevention Week Here October 6 to 12

The village fire department made plans Tuesday evening for observance of Fire Prevention week starting Oct. 6.

Information as to how fires may be prevented through the exercise of proper care will be given to the people of Antioch through trailers at both theaters, and instruction in the schools.

Inspection of business places to see that fire hazards are removed will be made, and leaflets telling how fires may be prevented will be given to the general public.

The firemen discussed plans to obtain funds for a new fire truck and for a new fire station.

We'll Get That Hour Back Saturday Night We Lost 5 Months Ago

WE'LL GET THAT HOUR—
You can sleep an hour longer Sunday morning.

To do this, however, you must set your alarm clock back one hour Saturday night for at 1 o'clock a. m. Antioch will return to Central Standard Time.

Just when daylight, like meat and soap, begins to get scarce, regulations will tend to make it scarcer, especially in the evening if not in the morning.

The change from Daylight Saving Time to the old fashioned Central Standard Time printed on the maps is the result of Chicago city ruling which forces the metropolitan area in which Antioch is affected to follow suit. The village board establishes the dates, however.

The golf season is about over, the gardens, flower and vegetable, are about a third of the past for this year, and the cool evenings will soon force people indoors, especially those without the sporting interest that will take them to night football games.

Attorney General to Address Joint Meeting of Clubs

George F. Barrett, attorney general, for the state of Illinois, will address a joint meeting of the Lake Villa Community Men's club and the Antioch Lions club at the Lake Villa school gymnasium Nov. 12.

Barrett's address on the subject "Duties of the Attorney General and what to expect of him," will follow a dinner meeting.

Announcement that the two clubs would meet together on this occasion was made Monday evening at a zone meeting of five Lions clubs at which the Antioch club was host at Prenger's resort at Grass Lake.

Represented at the meeting were the Libertyville, Mundelein, Grayslake, Round Lake and Antioch clubs.

Harold Rudinski, of Wauconda, district governor, addressed the group, and Arthur Meyer, Grayslake, chairman of the zone, conducted a discussion in which the welfare of Lionism in the area was considered.

The club voted to carry before the Antioch village board a demand for better police protection. President Harry Krueger said he wanted the entire membership to be present at the time and citizens other than members of the club will be invited to attend. He cited among instances of burglaries the attempt made at the home of Homer La Plant.

Black Markets Prove OPA Blocks Production, Lumber Dealer Says

The reason you have not been able to go to your lumber yard since the war ended on VJ Day and get lumber and other building materials for necessary maintenance, repairs, minor construction, and farm production building purposes, is because the OPA has driven many producers of lumber into black market operations, Ed Vos, local lumber dealer, stated today.

"Before the war ended, the War Production Board allocated lumber to the lumber yards. Therefore, it was available. But as the WPA authorities knew that allocation to the hundreds of thousands of potential users in a peace-time market would be impossible, costly, time-consuming, and would slow down production, the WPA recommended that business be resumed through normal peace-time channels without hampering production with controls," Mr. Vos explained.

That the government knew that price control, if continued in a peace-time economy would block production, is evidenced by the fact that they immediately began to seek legislation and the appropriation of huge sums of tax money in the field of housing, dairy products, meat, and other essentials, with which to artificially stimulate production, he said.

Heart O' Lakes Group Chooses New Officers

Officers for the year were elected by the Heart O' Lakes Improvement association of Grass Lake at the Ed Smith subdivision Sept. 21.

Fred Franklin was chosen president; Charles F. Black, secretary; and Joe Hecht, treasurer.

The executive committee is composed of Edward Smith, Bernard Long, and George Gorski. Plans are being made for a Halloween party and dance for the community.

Moore to Speak During Lake Villa Big Brother Day

**Community Club Plans
Events For Youth of
The Village**

Dr. Roy Moore, principal of the Lake Forest high school, and famous for his 'Teen Age work will be the speaker at the Big Brother Day dinner of the Lake Villa Community Men's club Oct. 8, at the school gymnasium there.

Prin. Moore has the faculty of knowing every student in his school by his first name and is quite effective in his work among young people. He is expected to make a big contribution to the information the Lake Villa club desires in its work among the young people of that community. Registration will be at Hooper's drug store.

A deadline of Oct. 1 has been set for registration of students who wish to participate in the day's events which includes sharing the day's experiences of business and professional men of the village.

The program following the dinner will include a playlet given by the girls' Dramatic club which is sponsored as a part of the club's work with youngsters.

Future events on the program of the club and the groups it sponsored are a minstrel show on Nov. 1, and a Halloween party. David Strem and Harry Pavel are members of a committee planning the party.

George F. Barrett, attorney general, will address the club at the school gymnasium on the evening of Nov. 12.

Finance Officer and Appointees of Local Legion Post Named

William Brook has been chosen finance officer of the Antioch Legion post to fill the vacancy caused when Jeanette Keeney left for Madison, Wisconsin, to attend college, according to the report of the executive committee to the Legion this week.

Commander Everett Hatfield announced his slate of appointments and reported that the organization has a paid-up membership of 75.

Appointments from the executives of the Tenth district place John L. Horan chairman of the commission on graves registration, Everett Hatfield on the legislation commission; F. A. Swenson, ways and means commission and Edward Jahneke, ritual commission.

Commander Hatfield's local appointments are:
Charles J. Cermak, adjutant; Richard Echert, athletic; Roman B. Vos, Americanism; Frank E. Kennedy, Jr., boys' state and boy scout; Dr. George W. Jensen, community service; James McMillen, conservation; Lorraine Pape, child welfare.

Robert E. Taylor, entertainment; F. A. Swenson, employment and school medal awards; John W. Horan, graves registration; Edward H. Jahneke, hospital relation; Edward C. Jacobs, judge advocate; Edward Frazier membership.

William F. Chase, Poppy day; Charles J. Cermak, post relations; John L. Horan, publicity and service officer; Dr. D. N. Deering, post surgeon; Edward H. Jahneke, ritual; Tony B. Sciacero, speakers; Ernest Glenn, education; and Otto Klass, Raymond Cobb, and John W. Horan, sons of Legion.

Sequoia Will Meet Zion in Night Game

Antioch Township High school's football team will go to Zion Friday for a game under the lights starting at 8 p. m.

If the Sequoia will profit by mistakes of their earlier defeats this season they may be able to swing over into the won column.

Although gaining as much yardage and completing twice as many downs, Antioch lost to Warren of the Northeast league last Friday by a score of 25 to 7.

Fumbles which Warren recovered for touchdowns, gave the visitors 13 of their points in the third quarter. The line failed to hold at times and 37 yards were lost. On the other hand, Antioch's punting was good, averaging more than 40 yards, and the returns from kickoff also were good.

Attempts will be made to improve the passing and bolster weak spots at left and right tackle where Warren made most of its gains. The center of the line proved adequate.

Antioch Exchange of Illinois Bell Telephone Company Doubles Business in Last Six Years

Frostee Sno Co. Buys Building; Plans Extension

**Will Seek Foreign Trade
Through Patents Just
Granted**

The Frostee Sno Company has purchased from Arthur Edgar the property on Main street which it has leased the past three years.

Improvements will be made so as to make the building more adaptable and comfortable for year round work.

When building construction again becomes normal members of the firm said, the company plans to build a new modern building accessible to a railroad siding where their heavy production will be done. The present building will then be used for office and storage only.

An export department will be arranged in the near future to build up foreign business on their present patented Sno line as well as a mechanical device on which John Ottobahl and son, Everett recently have been granted patents in this country, Canada and England.

An official of a large eastern corporation called last week at the local plant in arranging for production and U. S. marketing of this invention. The Frostee Sno company started manufacture of the Frostee Sno line of ornaments and display material in 1937 and have been in Antioch since 1944.

Rescue Squad Fund Nears \$4,000 Mark; Carnival Nets \$2,600

A good start towards an adequate reserve fund through which the Rescue squad may obtain a new fully equipped truck and a place in which to house it, was announced to the Lions club this week by the fund committee which said that the fund now has reached \$4,000. A goal of \$12,000 is considered.

Gifts are continuing to come in and it was announced that they will be received throughout the year at the First National Bank. A number of donations were made during the past week.

In announcing the total of the gifts to date, Harry J. Krueger, president of the club, also announced that \$2,600 was made by the club on the recent carnival. A portion of this amount will be given to the Rescue squad for general expense not directly connected with the reserve fund which the club is supporting.

The recent gifts to the fund are as follows:
First National Bank of Antioch (Continued on page 5)

Route 173 to be a Boulevard for Parks, Revealed

**Trustees Will Learn Facts
At Municipal League
Meet Tuesday**

Whether the plan to make Rte. 173 into a four-lane lighted boulevard linking Dunes park on Lake Michigan with Chain O' Lakes park is merely a hope or a reality of the near future will be learned definitely by the members of the village board when they go to the convention of the Illinois Municipal league in Springfield next week.

A meeting is scheduled for 1:30 p. m. Tuesday in the offices of W. W. Polk, state highway engineer, Springfield at which engineers and heads of his department and engineers of the State Park commission will reveal their plans to village and city representative of Lake county interested in the proposed highway system.

The meeting was arranged by Sen. Ray Paddock and Reps. Nick Keller and Harold Kelsey so that representatives of villages and subdivisions between Waukegan and the Wisconsin state line on Sheridan rd. might ascertain what can be done to eliminate hazards on that highway.

They learned that plans calling for the road's improvement and for which money had been earmarked had been abandoned because of plans of the park commission which called for highways linking the parks. The change also affected the 22nd st. grade separation project in North Chicago in the way of delay.

Keller Shown Drawings

Rep. Keller was shown engineers' drawings which call for a free highway from the foot of Grand Ave., in Waukegan paralleling the North Western railway to the state line. He also saw drawings showing the transfer of Rte. 173 into a beautiful boulevard, well lighted, and landscaped on its parkway between the two two-lane pavements.

Rep. Keller was told that the engineers of the Park Commission had in mind taking care of crowds of 73,000 persons during the vacation season at the Dunes park and that much of the Chicago crowd would take advantage of the Chain O' Lakes park, looping west over the boulevard from Dunes park to Fox River and then returning to the city.

(Continued on page 4)

"OPEN" VERDICT IS RETURNED IN SAVOY, LOJWANICK INQUEST

What members of the coroner's staff termed an "open" verdict was returned by a jury at the inquest into the deaths of Jos. Lojwanick, and Herman M. Savoy held yesterday at the Strang Funeral home. No other verdict was possible they said with the scanty evidence available.

The official finding reads as follows:

"Jos. Lojwanick's death was caused by injuries accidentally received in riding in a 1941 Ford coach, owned by Arthur Hawkins, Jr., driven by Harry F. Quilty, south on highway 21, at approximately thirty-five feet south of Orchard street, Antioch, Ill., at approximately 2:15 a. m. on May 13, 1946, when the auto driven by Harry F. Quilty at a high rate of speed struck the curb on the west side of the street causing the driver to lose control of the auto, which struck three trees on the West side of the street, causing it to turn over a parked auto landing bottom-side-up on the highway."

The finding in the case of Herman M. Savoy, was of course, identical with the above.

Nelson Inquest Held

A second hearing, inquiring into the death of John Nelson, who met death when the car in which he was riding struck a parked car at Pikeville on Sept. 15, was held at 2 P. M. Nelson was thrown from the car and crushed beneath it in the accident. His death was termed "accidental."

Get-Acquainted Party Planned for Tuesday

A "get acquainted" social evening has been arranged for the evening of Tuesday, October 1, at the Antioch Township High school to which the public has been invited.

A social committee of which Mrs. Elmer Hunter is chairman, is preparing a program in which patrons of the school will get to know each other and the high school teachers. The program will start at 8 o'clock and at the close refreshments will be served.

Fire Threatens You

As part of its intensified fire prevention efforts in 1946—an intensification made necessary by the fact that fire loss is now at record levels—the National Board of Fire Underwriters is distributing an enormous number of pamphlets and posters pointing to the menace of fire, and showing ways in which fire can be prevented.

These publications go to fire insurance agents, adjusters, fire chiefs, fire prevention organizations, parent-teachers clubs and similar groups and are displayed and redistributed through them. Every American, unless he is a hermit in the hills, will have a chance to read them. And every American, if he is to do his part to control a destroyer which takes 10,000 lives a year, should give them his strict attention.

This year, Fire Prevention Week, which has been an annual event since it was first initiated by President Wilson, is to be observed from October 6 to 12. During that week, everything humanly possible will be done to dramatize the vital cause of fire prevention. But a week of such work isn't enough—It's only a starting point. The experts can show you the dangers and the means of ridding your home and business of them. Then it's up to you. Make every week fire prevention week so far as your property is concerned.

* * *

When Will It Learn?

For a few months there have been no "major" strikes in this country. That may have given a large part of the public an extremely false idea of the labor situation.

Production in the most vital fields is still being delayed by labor disputes. The automobile industry is a case in point. No manufacturer makes a car from start to finish. All manufacturers buy certain essential

parts from specialized factories. As a result, "little" strikes in concerns making such items as wheels, body hardware and electrical equipment have forced the car makers to close down time and time again. That's the main reason why motor car production is at only a fraction of the levels forecast when the war ended.

When will labor learn that only sustained, increasing production can make for fatter pay envelopes in the long run? When will it learn that the old slogan of "an honest day's work for an honest day's pay" is not so outmoded as some of our advanced thinkers believe? And when will it learn that inflated prices made necessary by vast wage increases without a comparable increase in the worker's productivity will never make for lasting prosperity? When will it learn that such a policy can only increase the cost of living?

* * *

Have We Strength Of Character?

"The government contrary to popular conception, has nothing of itself except the power to tax and the credit based thereon," said J. J. Hunter, President of the Bank of California, recently. "Thus far the thrifty savers of the nation have accepted the obligations of the government at face value—even at a premium, but it is my opinion, unless an earnest attempt is made to balance the budget by cutting down expenses rather than taxes and take a long step to reduce the debt by regular amortization, the fear of insolvency will come upon the people as a 'thief in the night' and the wreckage will be colossal with none escaping. Neither Congressmen, Senators, nor the Executive branches of government can provide food, clothing, or shelter except by slave labor with lost economic and spiritual rights.

"Is there strength of character enough in the supposedly free American people to draw in their belts and produce? Or will they look to their Congressmen and Senators to do the impossible?"

The government will spend close to \$40,000,000,000 in this, a boom year, when employment is at its all-time high. What would happen in some future depression year, when revenues drop and at the same time the pressure for more and more governmental pump-priming is turned on at white heat? Never in its history has this nation pursued so potentially ruinous a fiscal course. That fact, unwelcome as it may be, constitutes the greatest problem facing the country today.

Those present were Mrs. A. Blong, Mrs. Robert Doolittle, Mrs. William Dow, Mrs. Harold Hanrath, Mrs. Sam Hernquist, Mrs. Cloyd Kirby, Mrs. G. Malm, Mrs. Ralph Miller, Mrs. C. Nettles, Mrs. William Nielsen, Mrs. Agnes Nielsen, Mrs. Oscar Neahous, Mrs. J. Peterson, Mrs. Vera Ranney, Mrs. Robert Riedel, Mrs. Austin Savage, Mrs. Clarence Spiering, Mrs. Vincent Stonis and Mrs. Gordon Wells.

The new officers presented the retiring president and secretary with lovely manicure sets and were hostesses at a luncheon served after the meeting.

A card party will be held at the Hickory school on Friday, Oct. 4, 500, pinochle and bunco will be played and a nice luncheon will be served. Playing starts promptly at 8:30 p. m.

SALEM

Mr. and Mrs. Harold McSweeney, of Delavan, and Mrs. Arthur Bloss, Sr., were dinner guests Saturday of Mr. and Mrs. William Krautkramer, of Antioch.

Mr. and Mrs. Alfred Schmidt and children, Robert, Larry, and Arlene, spent Sunday afternoon in Milwaukee.

Mr. and Mrs. Lester Dix and Mr. and Mrs. Robert Patrick spent Sunday afternoon in Chicago.

Mr. and Mrs. Harold McSweeney, of Delavan, have returned home after spending the past week with the latter's mother, Mrs. Arthur Bloss, Sr.

Mr. and Mrs. E. T. Manning and Mr. and Mrs. Lee De Bell are spending this week in Northern Wisconsin.

Mr. and Mrs. Byron Patrick called on Mr. and Mrs. Stanley Stoen, of Bassett, Monday evening.

Mr. and Mrs. Raymond Fennema, of Kenosha, are the proud parents of a baby girl, born Sept. 21. Mr. Fennema spent his boyhood here and is the son of Mr. and Mrs. Andrew Fennema.

Mrs. Nellie Head, who is caring for Mrs. Carrie Madden, of Mound Center, spent Sunday with her sister, Mrs. Arthur Bloss, Sr.

Mr. and Mrs. Byron Patrick were Kenosha shoppers Friday evening and also called on Mr. and Mrs. Ray Patrick.

Mr. and Mrs. Frank Dix have received word that their son, Billy Dix, who has been stationed in Japan is on his way home.

Mr. and Mrs. Lyle Woodbury and Mr. and Mrs. Harvey Gaines, of Bristol, have returned from a motor trip through the west.

Mr. and Mrs. Clarence King spent Sunday afternoon with their son, Harold Vandenberg and wife, of Kenosha.

HICKORY

Lt. and Mrs. William L. Strahan arrived home Saturday after spending three weeks in Long Island, N. Y.

Mr. and Mrs. Charles Ames, of Portland, Ore., visited the Bert Edwards home over the weekend.

Mrs. Ray Wickhiser and daughter, Kathryn, from Crown Point, Ind., visited the William Horton family Tuesday evening.

Mr. and Mrs. George McNeill and son, Terry, of Kenosha, and Mr. and Mrs. Fred Leable were Sunday night guests at the home of Mr. and Mrs. Kenneth McNeill, of Rosecrans.

Mrs. Agnes Stevens spent a few days of this week at the Gordon Wells home.

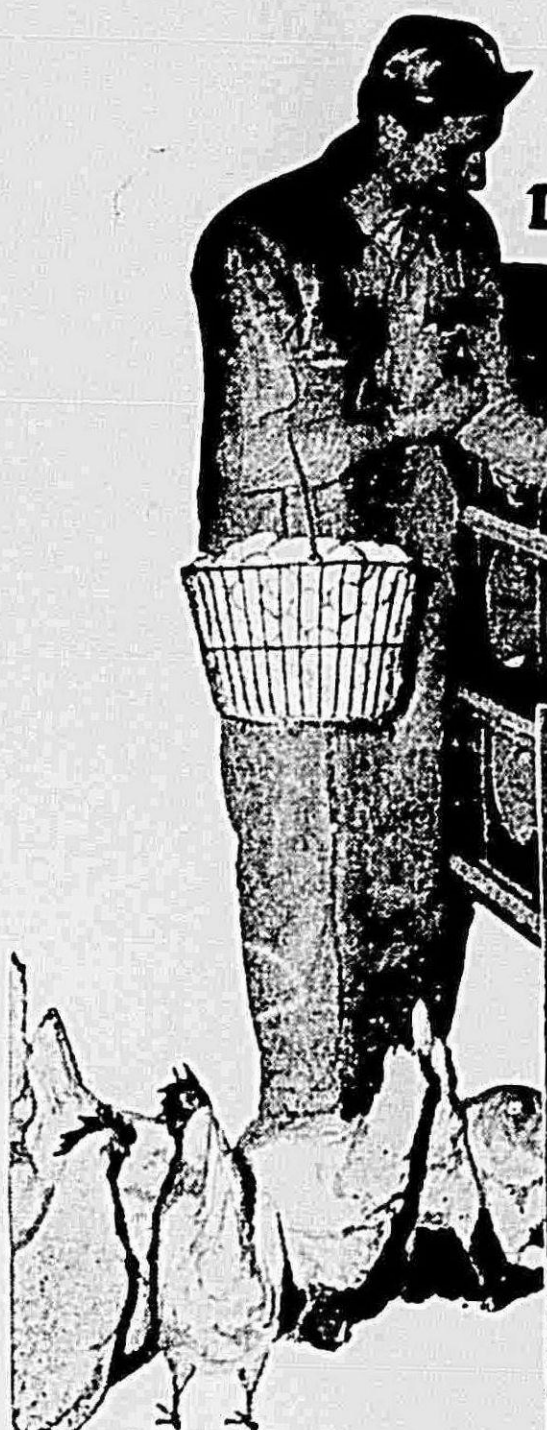

Mr. and Mrs. Roy Heydecker and Mr. and Mrs. Henry Tonnigan, of Waukegan, were Wednesday evening callers at the Earl Crawford home.

Mr. and Mrs. Bert Edwards and Miss Doris drove to Madison, Wis., Sunday and visited Mr. and Mrs. Harold Edwards.

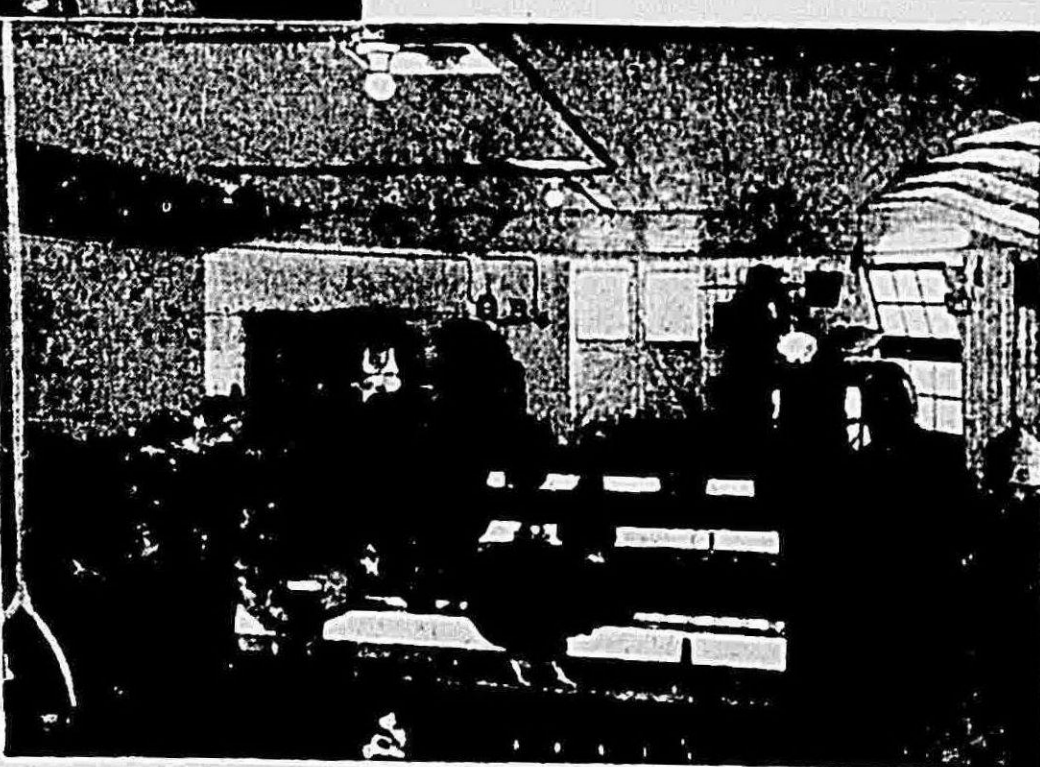

Sunday afternoon visitors at the Earl Crawford home were Mr. and Mrs. Roland Schmoekel, of Kenosha, and Mrs. Clarence Crawford, Mr. and Mrs. Walter Czymmer and baby, Marcia Ann, of Waukegan.

The ladies of the Hickory Women's club held their first meeting of the season at the Hickory school house on Tuesday, Sept. 16th, with most of the members attending. The retiring officers were Mrs. William Nielsen, president; Mrs. Clarence Spiering, vice president; and Mrs. Vincent Stonis, secretary and treasurer.

Newly elected officers are Mrs. Robert Riedel, president; Mrs. Ralph Miller, vice president; and Mrs. Vera Ranney, secretary and treasurer.

KEEP EGG VOLUME UP
DURING FALL AND WINTER MONTHS—
USE
POULTRY HOUSE
LIGHTING

IT'S true... a little more light can mean a lot more eggs. Proof? The increasing number of alert and progressive poultrymen who are turning to poultry house lighting to keep the eggs coming—when profits are larger!

By lighting up their laying houses in the morning or evening, or both, their layers are given a 12 to 14-hour working day in which to beat the usual fall and winter egg slump... are able to keep production at a peak.

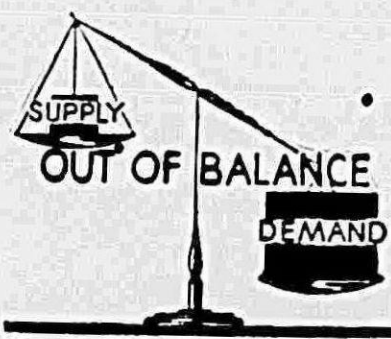

If you are not yet using poultry house lighting, start now—before the short dark days begin—to provide your birds with a longer laying day. You'll find the simplest equipment (a few bulbs and an automatic time switch) is all that's needed to get them up earlier and keep them working longer producing extra eggs... extra profits for you. Prove to yourself that reaching for the time switch is like reaching for extra eggs.

Longer Working Hours for Layers add up to more fall and winter eggs on Carl Zimmerman's poultry farm near Grant Park, above, and on Richard Hall's place near Bradford, right. Both managers Clyde Graves on the Zimmerman farm and Richard Hall use lights to encourage hens to knuckle down and produce more when premium prices are paid.

Electricity for Poultry House Lighting and other poultry house chores is available to more than 91% of the farms in the area served by this company.

LAKE VILLA

World wide Communion Sunday will be observed at the Community church on Oct. 6 at the 11 o'clock worship service, and unless you observe the day elsewhere you will be very welcome there.

The church school will present a Rally Day program at the church on the evening of Oct. 6 and the public is welcome.

The Woman's Society of Christian Service will hold its quarterly pot luck dinner on Wednesday, Oct. 2, at the home of its president, Mrs. Marie Hamlin and the birthdays of June, July and August members and friends will be celebrated. Dinner at 12:30 followed by meeting and social hour. Visitors welcome.

Mr. and Mrs. Neff are receiving congratulations on the birth of their fourth daughter last week. They also have a son.

The P. T. A. of Lake Villa school will sponsor a public card party at the school gym on Saturday evening, Oct. 5 to raise funds to help pay for a new sound movie projector for the school, and your help will be appreciated.

The teachers and students of the school are planning a program to be presented late in October and are in need of old formal or house coats to be used in costumes and if you have such for them, will you please call Mrs. Martin at 2541 or the school, 2102 and the materials will be collected.

The Halcyon Group of the Lake Villa Community Methodist church held their first meeting of the season Thursday evening, Sept. 19, at the village hall.

The entire evening was spent in a business session. Committees were appointed for the coming year.

As we were saying-----

By Jack and Louie

Howdy Folks: Auto accidents are on the increase. Almost daily we read of tragic cases on the highway.

Such accounts of suffering dampen our ardor as far as writing humor is concerned.

Many drivers are in such a hurry to get into the next county, they keep right on going into the next world.

Too many drivers try to horn in. Reckless drivers are seldom wreckless long.

Just remember, folks, it's better to be a small pebble on the beach than a large tomb stone.

We'd like to have you remember us next time you need dry cleaning done.

Drive down (safely) and see us, won't you? Or our drivers will drive (safely) to give you pick-up and delivery service.

To those who eagerly await
their new Chevrolets...

Here Is the Latest News about Chevrolet Deliveries

Everybody from factory to dealer is doing everything
that can be done to speed deliveries to you

We have been informed by the Chevrolet Motor Division that the past month has witnessed only a slight improvement in the rate of production of new Chevrolet passenger cars. As a result, shipments of new cars to dealers for delivery are still far below the level we and the factory had hoped to attain by this time. In fact, through August, Chevrolet's output of cars in 1946 was only 22.6% of the number turned out during the corresponding period of 1941.

We know that Chevrolet is doing everything possible to step up its production totals—to ship more and more cars to us and to its thousands of other dealers throughout America... and we know, too, that we are assured of getting our full proportionate share of the current output and of future production gains.

Disappointing as the total figures have been—and despite the fact that Chevrolet was out of production entirely during the first three months of the year—it is nevertheless true that Chevrolet led all other manufacturers in production of passenger cars during June 1946, and has continued to maintain its lead in total production from that day to this.

We shall continue to make deliveries of new Chevrolets to our customers just as fast as we receive them; we regret delays as deeply as you do; we thank you for your friendly patience and understanding; and we promise you a new high motoring experience when you take delivery of your new Chevrolet, giving BIG-CAR QUALITY AT LOWEST COST!

Keep Your
Present Car Alive

Meanwhile, may we suggest that you safeguard your transportation by bringing your car to us for service now and at regular intervals. Let us help you to keep it in good running condition—to maintain its performance, appearance and resale value—until the day when your new Chevrolet comes along.

ENGH-CLARK NUPTIALS HEARD IN RECENT RITES

Miss Lucille Clark, daughter of Mr. and Mrs. H. M. Clark, became the bride of Clayton Engh, son of Mr. and Mrs. Theodore Engh, of Wadsworth. The Rev. L. H. Messersmith officiated before an altar decorated in gladioli and garden flowers.

Given in marriage by her father the bride wore a white satin gown with train and a finger tip veil. She carried a bouquet of white gladioli. The maid of honor, Thelma Clark sister of the bride, wore an aqua lace and net gown, her flowers were yellow mums. Mrs. Walter Fontaine and Mrs. Raymond Hauser, sisters of the bride, bridesmaids, wore gowns of yellow net and carried yellow and white mums.

Theodore Engh, New York, served his brother as best man, and Richard DeSaut, of Monroe, Michigan, and Richard Schubert, of Chicago were ushers.

Frank DeYoung sang "Because" and "Through the Years" accompanied by Mrs. E. A. Martin.

The bride's mother was attired in black crepe and the groom's mother wore plum colored crepe, with corsage of Gardenias.

A reception for one hundred and forty guests was held following the ceremony in the church dining rooms. The young couple are enjoying a trip to northern Wisconsin.

ANNOUNCE MARRIAGE OF SON

Mr. and Mrs. L. W. Koppen, 1025 Spafford Street, announce the marriage of their son, Louis W. Jr., to Miss Dolores Russow, daughter of Mr. and Mrs. Barney Russow, of Chicago, Saturday, Sept. 7, at the Koppen home. The Rev. W. C. Henslee officiated. Mr. and Mrs. Koppen are making their home at Lake Catherine. Mr. Koppen is employed by Public Service Company at Northbrook.

WESLEY CIRCLE MEETING OCTOBER 2nd

Mrs. Winifred Grace Measures, of England, will talk on her travels at a meeting of the Methodist Wesley Circles Wednesday afternoon at the home of Mrs. Alonzo Runyard, 565 North Main Street. A regular business meeting will be held at two o'clock followed by a social hour.

Sammy Beiser, of Kansas City, Mo., visited his brother and family the Nathan Beisers last weekend.

Miss Carole White left Friday for New York to enter the Institute of Photography. Her mother, Miss Pearl White, of Zion, accompanied her on the trip and will remain for a few days.

Mr. and Mrs. Simon Edlmann are spending a few weeks vacation in northern Michigan, Montana, Canada, and California.

Mr. and Mrs. L. W. Koppen returned home Friday from a week's vacation spent with Mrs. O. E. Frazier at Detroit, Mich.

Mrs. Mollie Somerville returned home Friday after spending the past week in Cleveland, Ohio, where she attended the wedding of her nephew, Henry Bernbaum. She also visited Mrs. Walter Hess at Warren, Ohio.

Three sons of Mr. and Mrs. Charles Atwood, of Channah Lake, who recently returned from serving with the armed forces have returned to school. Harold and James are attending the University of Illinois and Howard is attending Princeton College at Princeton, N. J. Richard, another son is with the army air forces serving in the Philippine Islands.

Dr. and Mrs. E. J. Hays spent Sunday in Chicago and attended the silver wedding anniversary celebration of Mrs. Hays' brother and wife, Mr. and Mrs. Bradley M. Hutton, of 2840 Greenleaf Ave.

Dale Barnstable, son of Mrs. Eva Barnstable is attending the University of Kentucky, at Lexington. Mrs. Barnstable and Mrs. Estelle May accompanied Dale to Lexington.

POPULAR MUSIC

MISS MARY COSGROVE BRIDE OF J. PACHEY

The marriage of Miss Mary Cosgrove, daughter of Mr. and Mrs. J. L. Cosgrove, to Joseph Pachey, son of Mrs. Caroline Pachey, was solemnized September 21 in St. Peter's church.

The Rev. Father Francis M. Flaherty officiated and special music was presented by Mrs. Rudy Eckert, who sang Schubert's Ave Maria.

Given in marriage by her father the bride wore an ivory velvet gown, her flowers were ivory and white gladioli. Her pearl necklace was a gift from the groom.

Vivien Cosgrove, sister of the bride, served as bridesmaid, her gown was cerise velvet and her flowers were white gladioli.

Mrs. Cosgrove chose a black crepe dress trimmed with multicolor sequins for her daughter's wedding. The bridegroom's mother wore a navy blue print frock with black accessories and a corsage of white gladioli.

A wedding breakfast for sixteen guests was served at the Colony House at Rock Lake, and a reception for fifty guests was held at the Cosgrove home.

Mr. and Mrs. Pachey are both graduates of the Antioch Township High school. The newly weds are at home at Lamont, Illinois.

Ray Nicholas Receives \$2643 for Paper on Arc Welding in Agriculture

Ray T. Nicholas, well known Lake County farm adviser, brought distinction to himself and his community this week when he won the James F. Lincoln Arc Welding Foundation award of \$2,643.15 for his paper on "Arc Welding in the Service of Agriculture."

In addition, four scholarships valued at \$250 each will be awarded by the University of Illinois College of Agriculture in his name.

The contest was in two divisions, one for agricultural producers and the other for educators among whom farm advisers were included. Nicholas was the only winner from Illinois in his class although there were 10 winners in the other class. He was second highest in the United States having been beaten by a New York resident.

The papers were to set forth the opportunities for the use of arc welding on farms and Nicholas through careful observation of the 2,000 farms he has visited was able to note a wide variety of uses, especially during the war when farmers could not get new machinery and had to repair the ones they possessed.

After paying Uncle Sam a substantial income tax, Nicholas says he intends to use the rest to pay a FHA loan on his house, give Mrs. Nicholas that new coat if she wants it, and the children Sally Jo and Gale, their share. He has been busy all week receiving congratulations.

MRS THOMAS C. KELLY DIES FOLLOWING LONG ILLNESS

Mrs. Thomas C. Kelly (nee Mary Emma Moyer), of Hinsdale, Illinois, passed away Saturday, Sept. 14, at her home, 226 North Lincoln St., after several months of failing health.

Funeral services were held Monday, Sept. 16, in Hinsdale. Burial in Hillside cemetery, Antioch.

Survivors include her husband Thomas, three children and two grandchildren. The Kellys are well known in Antioch, having made many visits here to see their aunt, Mrs. Anna Kelly, of North Main Street.

Route 173 . .

(Continued from Page 1)
Because of the interest of Antioch in Rte. 173 the village board was invited by Rep. Keller to attend the meeting in Polk's office.

Go To Springfield Monday

The Antioch men will go to Springfield on Monday and will attend the sessions of the Illinois Municipal league lasting over three days.

One of the matters that will be taken before the league is the plans of Lake County Municipal league for legislation that would return half of the present sales tax to cities and villages as is now done with the motor fuel tax fund.

The county organization, dormant

since 1941, was revived, and will be quite active along with other county organizations in trying to get the state legislature to sponsor a bill in the legislature calling for a refund of one cent of the two percent sales tax for use in carrying on village and city government.

Those who plan to attend the convention at Springfield Tuesday from the Antioch board of trustees are President Bartlett, R. L. Murrie, clerk, Walter Scott, Arthur Rosenfeldt, and L. D. Powles.

Card Of Thanks

I wish to thank everyone for the many acts of kindness and sympathy shown during my recent bereavement.

George W. Jeedicke

MRS. BERTHA KRUEGER, 78, DIES AT FOX LAKE

Mrs. Bertha A. Krueger, aged 78, died at the home of her daughter, Mrs. Herman Wienke, Fox Lake, Tuesday morning. She was born Bertha Bohm, the daughter of the late Mr. and Mrs. August Bohm, Sept. 14, 1868 in Germany.

Funeral services were held today (Thursday) at the Wienke home, the Rev. J. Joransen, of Ingleside officiated. Burial at Hillside cemetery at Genoa City, Wisconsin.

Surviving are the daughter, Mrs. Wienke, and four stepchildren, William Krueger, Lake Geneva, Wis., Mrs. Agnes Wilkowski, Lake Mills, Wisconsin, Mrs. Lydia Cox, Chicago, Mrs. Edith Pies, Sawyer, Wisconsin, eight grandchildren and one great grandchild.

Veterans Must Register to Vote on State Bonus Bill, Bradney Insists

Veterans intending to vote on the state bonus at the general election on Tuesday, Nov. 5, were reminded today by Homer G. Bradney, Administrator of the Illinois Veterans Commission, that they have a very short time remaining in which to register with their county clerk or their residence in the state for one year, in Board of Election Commissioners.

To vote, the veteran must have resided in the county for 90 days and in the precinct or ward for 30 days, Bradney said.

In Antioch voters may register before Oct. 8 with the Board of Election Commissioners, represented by the county clerk, or in their own precincts Oct. 8.

Students and other citizens must make application for mail voting between Oct. 1 and Nov. 1. The applicant in this case must also be registered. Personal application, Bradney added, may be made up to three days before election day. Both application and affidavit accompanying the ballot must be notarized.

Persons in active military service may vote by mail even if not registered. Application for absentee ballots should be made to the county clerk or the Board of Election Commissioners, not less than five days before election. The application and the ballot must be sworn to before a notary or commissioned officer in the military service.

Roll To Be Taken.....

(Continued from Page 1)

ated 70 miles per day, it would require about 19,000 miles of driving per school year. This amount of driving would consume close to \$1,000 worth of gasoline and oil. In addition to this operating expense, the drivers would each need to be paid approximately \$800 per year or a total of \$2,400.

This makes the capital outlay needed to inaugurate the transportation system total \$20,400.

Purchase price of busses.....\$10,000
Garage and equipment.....7,000
Gasoline and oil.....1,000
Compensation for drivers.....2,400

Total.....\$20,400

This amount does not include insurance, service, repairs, etc.

Less After First Year

After the first year of operation, the financial situation would improve greatly. It is estimated that the pupils could be transported at a cost of \$40 each per school year or at a total annual cost of \$6,800. The State will reimburse transportation costs up to \$20 per pupil or 75% of the actual cost whichever is the smaller. Thus, of the \$6,800 spent annually, the State would reimburse \$3,400 making the annual cost to the High School District relatively small once the system is in operation.

The cost of school furnished transportation must be paid from the Educational Fund. For a number of years, it has been necessary to levy the maximum amount permitted without a referendum to maintain this fund. It is plain to see that the added expense of school furnished transportation would necessitate an increase in the present tax rate which can be brought about only by a referendum.

To get an idea of the opinion that prevails among the school patrons in connection with the operation of school busses, the Board of Education is asking you to answer the "yes or no" questions on the enclosed postal card and return it to the high school.

Your valued cooperation and consideration in returning the enclosed postal card to the high school office at your earliest convenience will be greatly appreciated.

Yours very truly,
Walter K. Hills, President
Helen Osmond, Secretary

time. Each is answered in turn. "When the operator doesn't answer immediately it is not because she doesn't see the signal. She probably is so busy she can't take care of the calls just then," said Littler.

Will Add Two Positions
Littler said the company plans to add two positions to the Antioch board as soon as the equipment can be obtained from Western Electric Co.

Manager Littler has been with the company 18 years. He became manager last August when E. L. Simpson went to the Evanston exchange. Mr. Yahnke, former wire chief at East Chicago, and with the company 17 years, has charge of all installation and repairs.

The Antioch exchange occupied its new building in October 1938. Lake Villa and Fox Lake were converted to the dial system in 1939.

FUNERAL SERVICES FOR MRS. EATON HELD MONDAY

Mrs. George H. Eaton, 62, died Sunday, Sept. 23 at 6:30 p. m. at Victory Memorial hospital, Waukegan, following a brief illness.

Funeral services were held Monday at 2 p. m. from the Strang Funeral home. The Rev. Edwin I. Stevens, of Mt. Prospect Community Baptist church officiated. Burial took place at Highland, Kansas.

She was born Maude Baird, the daughter of the late George and Della Baird, Feb. 12, 1884, in Highland, Kansas. She came to Antioch five years ago, having previously lived in Oak Park.

Survivors are her husband, George, a daughter, Mrs. Dorothy Durland, of Mt. Prospect; two sisters, Mrs. Myrtle Foote, Kingfisher, Okla. and Mrs. Mary Houston, of Pueblo, Colo.; and two grandchildren, Louanne and Richard Durland.

MILLBURN

"The Necessity of a Redemptive Society" will be the topic of Rev. Messersmith's sermon for Sunday, Sept. 29. This is the last in a series of sermons based on Elton Trueblood's book "The Predicament of Modern Man."

Mr. and Mrs. Ed Hoffman and son George, spent Sunday with friends at Wales, Wis.

Mr. and Mrs. Harley Clark were guests of Illinois Farm Supply Co., at a ball game at Wrigley Field Tuesday afternoon followed by a banquet at Edgewater Beach hotel at six o'clock.

FLASH!

DEAR OPA:

LIFE SAVED. ALL IS WELL AND WE ARE HAPPY. LOVE. BLACK MARKET

The Black Market breathes again, thank you for its life—ditto OPA.

When OPA expired, back on June 30, the Black Market was frantic. Without OPA the Black Market couldn't live! The Black Market had money to spend, and it did, buying meat, for one thing, at prices way above what others were paying. These were some of the prices OPA reported during its temporary termination, in headlines to YOU, and you may have thought meat prices had run away without OPA to control them. That was the Black Market's way of helping to bring OPA back to life. It worked!

Actually, in some places by the end of two weeks after June 30, meat wholesalers were taking losses of 2 to 4 dollars per hundred pounds below former ceiling prices and for the first time in weeks there was more than enough meat to meet the demand!

Under OPA (controls?), 83 per cent of meat was being sold in the Black Market at prices up to 262 per cent above OPA ceilings.

Similarly, home building lumber had left

normal channels of distribution, for over 80 per cent of available home building lumber was being sold in the Black Market at prices ranging from \$20 to \$70 per thousand board feet above OPA prices, while many legitimate old-line lumber mills were closing down.

Obviously the Black Market could not afford to have the OPA expire. During the brief period of OPA expiration, for example, hundreds of lumber dealers reported manufacturers offering home building lumber in carload lots to them for the first time since the OPA was formed. This would have doomed the lumber Black Market.

The OPA, however, was able to carry out the greatest propaganda campaign ever put over in America by a government agency.

It took millions to sell the American people on reviving the OPA, but we fooled the bill. To this extent we helped foster the Black Market.

For remember, the Black Market needed OPA, because only with OPA in existence could the Black Market operate, to try to play YOU and every other buyer for a sucker!

WILMOT

Mrs. Millie Darby, Kenosha, is spending the week with Mr. and Mrs. Fred Albrecht.

Mrs. G. W. Lewis was in Milwaukee several days of last week the guest of Mr. and Mrs. G. W. Lewis, Jr.

The last of the summer series of card parties will be held at the Holy Name church hall, Sunday evening, Sept. 29. The usual games will be in play and refreshments will be served.

Mrs. William Kavanaugh is general chairman for the party which is sponsored by members of a group from Salem, Paddocks Lake and Bristol.

Mrs. and Mrs. Edward Boulden, Edison Park, were guests Sunday of Mr. and Mrs. Paul Ganzlin.

Mr. and Mrs. Harley Shottliff, Louisville, Ky., spent from Tuesday to Friday with Mr. and Mrs. R. C. Shottliff.

The Mother's club will hold a business meeting at the Wilmot Graded school Tuesday, Oct. 1.

Masses at the Holy Name church for the next several months are at 7:30, 9:00 and 10:30 a. m.

Mr. and Mrs. R. C. Shottliff and Ronald, and Mr. and Mrs. Lyle McDougall were guests Sunday of Mr. and Mrs. John Heide at Somers, and visited Petrified Springs park.

Beverly Easton, Kenosha, spent the weekend at the home of Mr. and Mrs. Henry Easton visiting her father, Morris Easton.

Virginia Schenning accompanied Mrs. Alvin Paddock and son, Willis Freeman, to Villa Park Friday evening for the wedding of Genevieve Miller and Earl Garbutt. Mr. Freeman was groomsmen.

Mr. and Mrs. Elmer Rasch and children were Friday evening guests of Mr. and Mrs. George Baker at Pell Lake.

SET YOUR SIGHTS

It takes
planning
to achieve
a goal

Some young men know what they want and plan for it. Others are still looking for their niche. The new Regular Army can help both.

Perhaps you want to go to college but can't afford it. If you enlist in the Army, you'll get your chance. Honorably discharged after a three-year enlistment, you are eligible for 48 months of education at any college, trade, or business school for which you can qualify. The Government will pay your tuition, laboratory fees, etc., up to \$500 per ordinary school year, plus \$65 a month living allowance—\$90 a month if you have dependents.

If you haven't found your spot, an Army enlistment offers you training in any of 200 trades and skills. You leave the service eligible for further training at the best civilian schools.

You can assure yourself of the benefits of the GI Bill of Rights if you enter the Army on or before October 5, 1946. See your nearest Army Recruiting Station for details.

HIGHLIGHTS OF REGULAR ARMY ENLISTMENT

1. Enlistments for 1½, 2 or 3 years. (1-year enlistments permitted for men now in the Army with 6 or more months of service.)
2. Enlistment age from 18 to 34 years inclusive (17 with parents' consent) except for men now in Army, who may reenlist at any age, and former service men depending on length of service.
3. A reenlistment bonus of \$50 for each year of active service since such bonus was last paid, or since last entry into service, provided reenlistment is within 3 months after last honorable discharge.
4. A furlough for men who reenlist within 20 days. Full details of other furlough privileges can be obtained from Recruiting Officers.
5. Mustering-out pay (based upon length of service) to all men who are discharged to enlist or reenlist.
6. Option to retire at half pay for the rest of your life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
7. Choice of branch of service and overseas theater (of those still open) on 3-year enlistments.

NEW, HIGHER PAY FOR ARMY MEN

In Addition to Food, Lodging, Clothing and Medical Care

In Addition to Column One at the Right: 20% Increase for Service Overseas; 50% Increase if Member of Flying or Glider Crews; 5% Increase in Pay for Each 3 Years of Service May Be Added.

Master Sergeant \$165.00
Technical Sergeant 135.00
Staff Sergeant 115.00
Sergeant 100.00
Corporal 90.00
Private First Class 80.00
Private 75.00

MONTHLY RETIREMENT INCOME AFTER: 20 Years' 30 Years' Service
\$107.25 \$185.63
87.75 151.68
74.75 129.38
65.00 112.50
58.50 101.25
52.00 90.00
